"Public Shareholding Limited"
Amman – The Hashemite Kingdom of Jordan

#### Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Arab Union International Insurance "Public Shareholding Limited Co.", comprising the interim condensed consolidated statement of financial position as at 30 June 2019 and the related condensed consolidated income statement, condensed consolidated comprehensive income statement, interim condensed consolidated statement of changes in shareholders' equity and interim condensed consolidated statement of cash flows for the six-months period then ended. Management is responsible for the preparation and presentation of this interim condensed consolidated financial statement in accordance with international financial reporting standard (IAS 34) Interim Financial Reporting. Our responsibility is to express a conclusion on this interim condensed consolidated financial statement based on our review.

#### Scope of Review

We conducted our review in accordance with the international standard on review engagements (2410) Review of Interim Financial Information Performed by the Independent Auditor of the Entity. a review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with international standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with international financial reporting standard (IAS 34) Interim Financial Reporting.
