Employers: ANZ Bank, Standard Chartered, Cairo Amman Bank, Arab Bank Plc and United Arab Bank
Countries: UAE, Jordan, Palestine

24 plus years of progressive experience in banking sector

My latest bank role was the Chief Operating Officer of **United Arab Bank** leading a team responsible for the bank's strategy with regards to embracing and accelerating the **digital transformation** towards **superior Customer Experience, efficient and effective operations** and **Intimate Service Delivery**. In my capacity as COO, I was in charge of Operations, Internal Control, Information Technology, Cybersecurity, Digital Banking, Data Intelligence, Project Management Office, Business Solutions Group, Service Delivery & Customer Experience across all channels including branches, Administration and Corporate Real Estate. Prior to joining United Arab Bank, I was the General Manager of the Dubai based **Arab Bank Plc Shared Services Center** providing Operations & Technology services to Arab Bank branches in the GCC, Yemen and Singapore. During my tenure in Arab bank PLC, I also served as a permanent member of the bank's Global Enterprise IT Committee. I worked with **Cairo Amman Bank** in Palestine and then the bank's Head Office in Jordan for more than 10 years. During the last three years in CAB, I headed the replacement of the Core Banking System for 100 plus branches in the two countries moving the bank to Temenos. I started my banking career with **ANZ bank** Palestine and assumed various hands-on roles all the way up to heading the ANZ and then **Standard Chartered Bank** Palestine Operations. I hold an **MBA with honor** from Birzeit University. I am a customer experience advocate and cost optimizer driving efficiency to highest levels
