REVIEW REPORT ON INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE CHAIRMAN AND BOARD OF DIRECTORS OF INVEST BANK (PUBLIC SHAREHOLDING COMPANY)

Introduction

We have reviewed the accompanying interim consolidated statement of financial position of Invest Bank as of 31 March 2017 and the related interim consolidated statements of income and comprehensive income, interim consolidated statements of changes in equity and cash flows for the three months then ended. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard (34) "interim financial reporting". Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements (2410) "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not properly prepared, in all material respects, in accordance with International Accounting Standard (34).

Other Matters

The interim condensed consolidated financial statements have been prepared in accordance with the listing instructions of Amman Stock Exchange and for management purposes and they are not subject to the approval of the Central Bank of Jordan.

(1) GENERAL INFORMATION

Invest Bank (the "Bank") was established as a Jordanian public shareholding company under registration No. (173) dated 12 August 1982 in accordance with the Companies Law No. (12) for the year 1964 with a paid in capital of JD 6 million distributed over 6 million shares with a par value of JD 1 per share. The Bank's capital was increased several times to become JD 77,500,000 / JD 1 per share as of 31 December 2010. Furthermore, during 2011, the Bank's capital was increased to JD 85,250,000 / JD 1 per share. Finally, the Bank's capital was increased by JD 14,750,000 on 10 April 2012. Accordingly, the Bank's authorized and paid in capital became JD 100 Millions / JD 1 per share.

The Bank's Head Office is located in Amman, Abd Alhameed Sharaf Street, Shmesani, Tel: 5001500, P.O Box 950601, Amman – 11195 Jordan.

The Bank provides banking and related financial services through its Head Office and Twelve branches in the Hashemite Kingdom of Jordan, and its subsidiaries.

Invest Bank is a public shareholding company listed in Amman Stock Exchange.

These interim condensed consolidated financial statements have been approved by the Board of Directors in its meeting held on 24 April 2017.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Following are the significant accounting policies used by the Bank in the preparation of these interim condensed consolidated financial statements.

2.1 Basis of preparation

The interim condensed consolidated financial statements of the Bank have been prepared in accordance with International Accounting Standards No. (34) ("interim financial reporting"), and in accordance with the local laws and the instructions of Central Bank of Jordan.

The reporting currency of these interim condensed consolidated financial statements is the Jordanian Dinar which is the functional currency of the Bank.

The interim condensed consolidated financial statements are prepared under the historical cost convention, except for financial assets at fair value through statement of income, financial assets at fair value through other comprehensive income that have been measured at fair value at the date of these interim condensed consolidated financial statements.

These interim condensed consolidated financial statements do not include all the information and disclosures required in the annual financial statements prepared in accordance with International Financial Reporting Standards and should be read in conjunction with the consolidated financial statements of the Bank for the year ended 31 December 2016. Furthermore, the results of operations for the three months ended 31 March 2017 do not necessarily reflect the expected results for the year ending 31 December 2017, except for not appropriating the profit of the three months ended on 31 March 2017 which is usually performed at year end.

2.2 Changes in accounting policies and disclosures

The accounting policies, used in the preparation of these interim condensed consolidated financial statements are consistent with those used in the preparation of the Bank's financial statements for the year ended 31 December 2016, except for the adoption of the following new standards and amendments to existing standards, which had no significant impact on these interim condensed consolidated financial statements:

(a) New and amended standards adopted by the Bank:

The following standards have been adopted by the bank the first time for the financial year beginning on or after 1 January 2017, and expected that there will not have a material impact on the bank:

- Amendments to IAS 12 'Income tax' which explains measurement and accounting for deferred tax assets.
- Amendments to IAS 7, 'Statement of cash flows'. The amendment requires additional disclosures about changes in liabilities arising from financing activities. The standard is effective for annual periods beginning on or after 1 January 2017 and early adoption is permitted.

(b) New standards and interpretations not yet adopted

The standards published and mentioned below did not apply by the bank yet, and the bank did not early adopt

- IFRS 9, 'Financial instruments', addresses the classification, measurement and recognition of financial assets and financial liabilities. The complete version of IFRS 9 was issued in July 2014. The standard is effective for accounting periods beginning on or after 1 January 2018. Early adoption is permitted.
- IFRS 15, 'Revenue from contracts with customers' deals with revenue recognition and establishes principles for reporting useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from an entity's contracts with customers. The standard is effective for annual periods beginning on or after 1 January 2018 and earlier application is permitted.
- IFRS 16, 'Leases' which will replace IAS 17 'Leases'. The standard requires the lessee to book future lease commitments for all lease contracts including "rights to use assets". The standard is effective for annual periods beginning on or after 1 January 2019 and early adoption is permitted if IFRS 15 is also adopted.
- There are no other standards or amendments that are effective and have material impact on the financial statements of the bank.

2.3 Basics of consolidation

The consolidated financial statements include the financial statements of the Bank and the wholly owned subsidiary companies controlled by it. Control exists when the Bank has the ability to control the financial and operating policies of the subsidiary companies in order to achieve financial benefits out of their operations. All inter-company transactions, balances, revenues and expenses between the Bank and its subsidiaries are eliminated

The interim condensed consolidated financial statements include the financial statements of the Bank and its following subsidiaries:

- This company was established on 21 December 2011 and has not commenced its operations as of the date of these interim condensed consolidated financial statements.
- The bank acquired 93,275% of Jordan Trade Facilities Company which owns 100% of Trade Facilities for Finance Leasing Company through its subsidiary (Tamkeen Leasing Company). Causing the Bank's direct and indirect share in Jordan Trade facilities Company to reach 94.667% as of 31 March 2017 and 31 December 2016.

The financial statements of the subsidiaries are prepared using the same accounting policies adopted by the Bank. Changes are made to the accounting policies of subsidiaries, when necessary, to align them with accounting policies adopted by the Bank.

The results of operations of the subsidiaries are consolidated in the consolidated statement of income from the date on which control is transferred to the Bank and cease to be consolidated from the date on which control is transferred from the Bank.

Non-controlling interest represents the portion of net profit or loss and net assets not owned directly or indirectly by the Bank in its subsidiaries and are presented in the interim consolidated statement of income and within equity in the consolidated statement of financial position separately from the equity attributable to the shareholders of the Bank.

(3) ACCOUNTING ESTIMATES

Preparation of the interim condensed consolidated financial statements and the application of the accounting policies require the Bank's management to perform assessments and assumptions that affect the amounts of financial assets and liabilities, fair value reserve and the disclosure of contingent liabilities. Moreover, these assessments and assumptions affect revenues, expenses, provisions, and changes in the fair value shown within the consolidated statement of comprehensive income. In particular, this requires the bank's management to issue significant judgments and assumptions to assess future cash flow amounts and their timing. Moreover, the mentioned assessments are necessarily based on assumptions and factors with varying degrees of consideration and uncertainly. In addition, actual results may differ from assessments due to changes resulting from the conditions and circumstance of those assessments in the future.

The significant estimates used by management in the preparation of these interim condensed consolidated financial statements applied in the accounting policies as well as the sources of estimates in cases of uncertainty are consistent with those used in the preparation of the consolidated financial statements as of and for the year ended on 31 December 2016.
