REPORT ON REVIEWING THE INTERIM CONSOLIDATED FINANCIAL STATEMENTS

To the president and members of the board of directors Arab Inma Global Trading and Investment Company (P.L.C.)

Introduction

We have reviewed the accompanying Interim Consolidated Statement of Financial Position for Arab Inma Global Trading and Investment Company (P.L.C.) as of March 31, 2017, and the related statements of Interim Consolidated Comprehensive income, Owners' equity and cash flows for the period then ended. The management is responsible of preparing and presenting company's financial statements in accordance with International Accounting Standard No. 34 (Interim Financial Reporting) which is an integral part of International Financial Reporting Standards. Our responsibility is limited to issue a conclusion on these interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor". This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. Our review is primarily limited to inquiries of the company's accounting and financial departments personnel as well as applying analytical procedures to financial data. The range of our review is narrower than the broad range of audit procedures applied according to International Auditing Standards, Accordingly, Getting assurances and confirmations about other important aspects checked through an audit procedure was not achievable, Hence, We don't express an opinion regarding in this regard.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim consolidated financial statements do not give a true and fair view in accordance with International Accounting Standard No. 34.

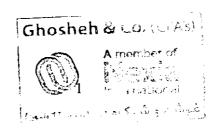

Other Matter

- 1- The financial statements include investments in lands that are not registered in the Company's name in exchange of irrevocable agencies or written letters.
- 2- The Consolidated Financial Statements as of December 31, 2016 have been audited by another auditor, which he issued his qualified report on February 27, 2017, also the Interim Consolidated Financial Statements for the period ended on March 31, 2016 have been reviewd by another auditor, which he issued his qualified report on April 26, 2016.

2. NEW AND REVISED STANDARDS AND AMENDMENTS TO IFRSs IN ISSUE BUT NOT YET EFFECTIVE:-

The following new standards and amendments to the standards have been issued but are not yet effective and the Company intends to adopt these standards, where applicable, when they become effective.

New Standards (IFRS) No.9 – Financial Instruments	Effective Date January 1,2018
(IFRS) No.15 – Revenue from Contract with Customers	January 1,2018
(IFRS) No.16 – Leases	January 1,2019

Board of Directors anticipates that the adoption of these IFRSs in future periods is not likely to have a material impact on the consolidated financial statements of the Company.

NOTES TO THE INTERIM CONSOLIDATED FINANCIAL STATEMENTS (continued) FOR THE PERIOD ENDED MARCH 31, 2017

(EXPRESSED IN JORDANIAN DINAR)

3.SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The interim financial statements have been prepared in accordance with International Accounting Standard 34, "Interim Financial Reporting".

The interim consolidated financial statement is presented in Jordanian Dinar, since that is the currency in which the majority of the Company's transactions are denominated.

The interim financial statements have been prepared on historical cost basis.

The interim statement do not include all the information and notes needed in the annual financial statement and must be reviewed with the ended financial statement at December 31, 2016, in addition to that the result for the three months ended in March 31, 2017 is not necessarily to be the expected results for the financial year ended December 31, 2017.

Significant accounting policies

The accounting policies used in the preparation of the interim financial information are consistent with those used in the audited financial statements for the period ended 31 December 2016.

Basis of consolidating interim financial statements

The consolidated financial statements incorporate the financial statements of Afaq Holding Investment and Real Estate Development Company (Public Shareholding Company) and the subsidiaries controlled by the Company.

Control is achieved where the Company:

- Ability to exert power over the investee.
- Exposure, or rights, to variable returns from its involvement with the investee.
- Ability to exert power over the investee to affect the amount of the investor's returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control described in the accounting policy for subsidiaries above.

When the Company has less than a majority of the voting, The Company shall have control over the investee when the voting rights sufficient to give it the ability to direct relevant activities of the investee individually.

When The Company reassesses whether or not it controls an investee, it consider all the relevant facts and circumstances which includes:

- Size of the holding relative to the size and dispersion of other vote holders
- Potential voting rights, others vote-holders, and Other parties

NOTES TO THE INTERIM CONSOLIDATED FINANCIAL STATEMENTS (continued) FOR THE PERIOD ENDED MARCH 31, 2017

(EXPRESSED IN JORDANIAN DINAR)

Other contractual rights

• Any additional facts and circumstances may indicate that the company has, or does not have, the current ability to direct the activities related to the time needed to make decisions, including how to vote at previous shareholders meetings.

The consolidation process begins when the company's achieve control on the investee enterprise (subsidiary), while that process stops when the company's loses control of the investee (subsidiary), In particular Income and expenses of subsidiaries acquired or disposed of during the year are included in the consolidated income statement, and the consolidated comprehensive income statement from the effective date of acquisition and up to the effective date of which it loses control of a subsidiary Company.

The profit or loss and each component of other comprehensive income elements distributed on the company's owners and owners of non-controlling interests, total comprehensive income for the subsidiary distributed to the owners of the company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balances.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with those used by the parent Company.

All intra-group transactions, balances, income and expenses are eliminated in full on consolidation.

Revenues

- Revenue from the sale of land and apartments is recognized when the sales agreement is signed with the buyer and the contract of sale promise is signed.

- Revenue from commissions and real estate brokerage is recognized when the invoice is issued and service is provided to customers.

Selling and marketing expenses principally comprise of costs incurred in the distribution and sale of the Company's products, all other expenses are classified as general and administrative expenses.

General and administrative expenses include direct and indirect costs which are not specifically part of production costs as required under Generally Accepted Accounting principles, Allocations between general and administrative expenses and cost of sales are made on a consistent basis when required.

Cash and cash equivalents

Cash and cash equivalents include cash, demand deposits, and highly liquid investments with original maturities of three months or less.

NOTES TO THE INTERIM CONSOLIDATED FINANCIAL STATEMENTS (continued) FOR THE PERIOD ENDED MARCH 31, 2017

(EXPRESSED IN JORDANIAN DINAR)

Accounts receivable

Account receivable are stated at invoice amount less any provision for doubtful and a provision for doubtful debts is taken when there is an indication that the receivable may not be collected, and are written off in the same period when there is impossible recovery of them.

Accounts payable and accruals

Liabilities are recognized for amounts to be paid in the future for services received, whether or not claimed by the supplier

Lands Investments

Investments in land are stated at cost (in accordance with IAS 40). The Company's criteria for recording its real estate investments are either at cost or at fair value provided that there is no impediment to the ability to reliably determine the value of the investment. The management has chosen the cost to record its investments in the lands.

Property and equipment

Property and equipment are stated at cost less accumulated depreciation, Expenditure on maintenance and repairs is expensed, Depreciation is provided over the estimated useful lives of the applicable assets using the straight-line method, The estimated rates of depreciation of the principal classes of assets are as follows:

F	Annual depreciation rate
Furniture and office equipment Vehicle Craft zone supplies Decorations	15%
	20%
	20%
	25%

Useful lives and the depreciation method are reviewed periodically to make sure that the method and amortization period appropriate with the expected economic benefits of property equipment.

In case of any indication to the low value, Impairment losses are calculated according to the policy of the low value of the assets.

At the exclusion of any subsequent property and equipment, recognize the value of gains or losses resulting, Which represents the difference between the net proceeds of exclusion and the value of the property and equipment that appears in the interim consolidated Statement of Financial Position, Gross Profit and loss.

The Decline in value of the financial assets

In date of each interim consolidated statement of financial position, values of the financial assets have been reviewed, to determine if there indication to decline in its value.

As for the financial assets such as trade accounts receivable and assets was evaluated as individual low-value, were evaluated for the decline in the value on a collective basis, The substantive evidence for decline in portfolio of the accounts receivable includes the past experience about the collection of payments, And the increase in the number of the late payments portfolio (which it's beyond the rate of borrowing) also it includes the significant changes in the international and local economic conditions that are related with non-collection of accounts payable.

The Reduce in the listed value of the financial assets is the amount of loss decline of value directly, And this is for all the financial assets except the trade accounts receivable as the listed value had been reduced by provisions accounts, When is one of the accounts receivables are noncollected then write off the amount of this debt and the equal amount from account of provisions.

The changes in the listed value for the provisions account recognized in the interim consolidated statement of comprehensive income.

As for the ownership equity tools which are available for sale, decline losses are not closed in the recognized value in the interim consolidated comprehensive income statement, However any increase in the fair value become after decline loss has recognized directly in interim consolidated owner's equity statement.

The decline in value of the non-current assets

The decline in value of the non-current assets, in the date of each interim consolidated statement of financial position the Company review the listed values for it's assets to specify if there is an indication to be decline losses of the value, If there indication to that, the recovery value of the asset will be appreciated to determine the loss of decline in the value if it be, In case, in ability to appreciate the recovery value of specific asset, The company estimate the recovery value for unit producing of cash that related in the same asset , when there is ability to determine baises of distribution that is fixed and reasonable, the joint assets distribute to units producing of cash that related in the same asset, the joint assets distribute to specific units producing of cash or it distribute to specific units producing of cash or it distribute to smallest group from units producing cash that it able to determine basic of distribution fixed and reasonable for it,

The Recovery value is the fair value of asset minus the cost of sale or used value whichever is

In case, the recovery value (or the unit producing of cash) distribute lower than the listed value, reduce the listed value for asset (or unit producing of cash) to the recovery value, Losses of the decline recognize directly in the comprehensive income statement except the asset that is reevolution then record losses of the decline as reduction from re-evaluation provision.
