Report on review of Interim Consolidated Condensed Financial Statements

**To the Board of Directors
Jordan Industrial Resources Company
Amman – Jordan**

We have reviewed the accompanying Interim condensed financial statements of Jordan Industrial Resources Company (public shareholding limited company) of which comprise the statement of Interim financial position as of June 30, 2018 and the Interim consolidated statement of comprehensive income, Interim consolidated statement of changes in equity and Interim consolidated statement of cash flows for the Six months period then ended, and explanatory notes. The Board of Directors are responsible for the preparation and fair presentation of these interim consolidated financial statements in accordance with International Financial Reporting Standards IAS 34 (Interim Financial Reporting). Our responsibility is to express a conclusion on these interim financial statements information based on our review.

Except as described in the following paragraphs, we conducted our review in accordance with International Standards on review engagements No.2410, "Review of interim financial informations performed by the independent auditor of the entity". A review of interim financial information consists of making inquiries primarily of review with persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

- Jordan Industrial Resources Company did not undertake any commercial activities and had not operated its factories in Jordan since the year 2006 until the date of this consolidated financial statements.
