The event also is experiencing continuous and accelerating developments, which requires the management of the company to assess the expected impacts on the company inside the Kingdom, and conduct a study to review and assess potential risks, in addition to providing additional disclosures in the interim financial statements as on 31 March 2020, based on the above, the company has taken the following actions to contain the crisis:

Company Plan to face Events in Spread of New Coronavirus (COVID-19)

1. The company stopped practicing business completely from 18 March 2020, until it was allowed to return to work on 02 May 2020. Production processes during the two months of downtime were affected due to a shortage of some additional materials imported from abroad and used to improve the quality and characteristics of castings.
The board of directors is currently working on making a set of decisions to increase production with the return of work in the factory and compensation for the downtime while seeking to secure cash liquidity to cover the downtime expenses and importing the production materials.
2. There are no disclosures or material events during the period of disclosure suspension extending from 18 March to 02 May 2020.
3. There are no Board of Directors Decisions taken during the period of disclosure suspension.

5. Significant Accounting Estimates and Assumptions

There were no material amendments on nature and amount thereof in the annual financial statements.

Using Assessment

financial liabilities and disclosing the contingent obligations. On the other hand, such assessments and diligences also impact incomes, expenses, provisions and changes in fair value that are recognized within equity rights. The company management is required to issue important diligences and rules to assess future amounts of cash flows and relevant times. These assessments are based on suppositions and various factors that carry varying degrees of estimation and uncertainty. Also, the actual outcomes may differ than assessments due to future changes originating from such assessments statuses and circumstances. The company management believes that the financial statements assessments are reasonable and detailed as follows:

Debtors impairment provision shall be formed based on basis and suppositions accredited by the company management, to assess the provision which should be formed under IRS requirements.

The fiscal year shall carry its share of income tax expenses based on laws and bylaws.

The management re-assesses, periodically, productive ages of the tangible assets to compute annual depreciation depending on such assets general condition.

6. Capital

Based on the General Assembly's extraordinary meeting of the company held on 25 March 2018, the decision to increase the declared paid, and subscribed capital is issued from 1,000.000 shares/ dinar to became 1,250.000 share/dinar via issuing 250,000 shares for special subscription at 0.500 bond discount/ one share. Thus total issuance shall read 125 thousand dinars. Based on the foregoing certificate has been issued from the Ministry on Industry and trade referring that the declared capital is 1,250.00 shares/ dinar.

In 2019, the capital was increased by 33,922 dinars against the discount bond of 16,961, and thus the subscribed capital shall read 1,193.474 shares/ dinar, and the discount is 96,737 dinar a at 30 June 2019, then the capital was completed, so that the authorized, subscribed and paid-up capital equals 1,250,000 shares/ dinars.

The following is the movement on capital:

	<u>31/12/2019</u>	<u>30/06/2020</u>
	<u>JD</u>	<u>JD</u>
Capital at the begging period/ year	1,159.552	1,250.000
Capital increase	<u>90,448</u>	-
Capital at the ending period/ year	<u>1,250.000</u>	<u>1,250.000</u>

7. Tax Status

The company audited the income tax as of 2016, and the tax balance is Zero in the same term. The company submitted its tax declarations of 2018, but the concerned management did not perform the audit process so far in 2017.

In the opinion of the tax consultant of the company, there is no need to calculate the income tax for the period as of t 30 June 2020, due to accumulated losses.

8. Comparative Figures

Reclassification of the comparative figures, if necessary, to suit the current period figures.
