Service Description

A Trading station used by the certified brokers to enter buy and sell orders into the ETS on behalf of their clients.

Requirements and Conditions of Service

- The ASE determines the number of Trading Stations that are allowed for each member, based on the technical capabilities and usage licenses granted to the ASE.
- In all cases, the number of Trading Stations for the broker shall not exceed the number of certified brokers in the brokerage firms.
- The broker can submit a request to suspend or cancel any of the Trading Stations used by it.
- The broker shall be committed to the provisions and rules of providing real-time trading information to the ASE members

Required Documents

A letter of request to add, suspend or cancel a Trading Stations

Steps and procedures for implementing the service

- Review the request and verify that all the conditions are fulfilled.
- Provide the broker with a Username and password to use the Trading Stations.
- Take the necessary procedures on the electronic trading system.

Service Fees

- JD 400 annually for each trading station of the first four stations.
- JD 150 monthly for each additional trading station after the fourth stations.
- Trading Stations fees are paid annually within a period not exceeding ten working days from the beginning of the year

Approximate Time for Completing the Service

Within two working days as a maximum.
