

Companies which were transferred among the three markets at the ASE

April 20, 2016

The Chief Executive Officer (CEO) of the Amman Stock Exchange (ASE), Mr. Nader Azar, said that according to "listing Securities Directives for the year 2012" ; all companies listed at the ASE should submit their annual reports audited by their external auditors within three months after the end of its fiscal year, furthermore the ASE transfers the listing of companies' shares from one market to the other once during the year after the ASE is provided with the companies' financial statements.

Mr. Azar clarified that the ASE re-classifies listed companies among the ASE three Markets according to their financial position, liquidity, profitability, number of shareholders and free float percentage.

Mr. Azar added that the number of companies which were transferred among the three markets as of 17/4/2016 was (18) companies as the following:
