

MECE will be allowed to be traded in the OTC Market

August 04, 2016

By virtue to the provisions of the Article (3) of the Regulating Directives for Trading in Unlisted Securities; the ASE announces that Middle East Complex for Engineering, Electronics & Heavy Industries Company (MECE) completed all required procedures to decrease its capital. The Company's capital became JD/Shares (25) million after reduction.

Accordingly, the ASE will allow the shares of the above mentioned company to be traded in the Over-The-Counter (OTC) Market starting Sunday August 7th, 2016. The Company's reference price will be floated.
