Transaction Cost

Security	Brokerage firms		Capital Market Institutions	Total	
	Lower Limit (JD)	Upper Limit (JD)		Lower Limit (JD)	Upper Limit (JD)
Shares and Rights	0.003	0.004	0.0014	0.0044	0.0054
Bonds and Sukuk	0.0003	0.0008	0.0003	0.0006	0.0011
Investment Units	0.0006	0.0008	0.0014	0.002	0.0022

- The Commission is paid as a percentage of the Market Value of Securities.
- 0.0008 percentage of the market value of the traded shares shall be added by each party to the contract as a tax for the benefit of Public treasury.
- The broker may charge a commission less than the aforementioned minimum for the shares above for a single trade (buying or selling one security in one day for a single investor) that exceeds 100,000 dinars, provided that this commission is in no way less than 0.001 one dinars for every thousand dinars.
- The minimum trading commission for online trading service users will be 0.002, without requiring a minimum trading volume from the client.
